America's Collection Authority

LAST MONTH'S LUCKY WINNER

The lucky winner of our client prize for the month of September is Stewart Barlow MD. They have been assigning accounts for four years now! We will be sending Stacie a \$100 spa gift card. Enjoy!

THIS MONTH'S PRIZE

This month we will be giving away tickets to an upcoming Utah Jazz or Denver Nuggets game. Each client who sends new accounts during the month of October will have their name entered into a drawing. At the end of the month we'll draw a name, and if it's yours, you'll win the tickets.

Don't miss out on your chance to win;
Send new accounts in October!
Good luck!!

Vice Presidential Material

BY: David J. Saxton

President, NORTH AMERICAN RECOVERY

I have an exciting announcement! Troy Wilkerson, Bryce Packham and Justin Denney have all been installed as Vice Presidents at North American Recovery! Troy is our Vice President of Business Development, Bryce is our Vice President of Operations and Corporate Compliance, and Justin is the Vice President of Collections. Congratulations you three!

I have been working closely with Troy, Bryce and Justin for more than two years to enhance, broaden and strengthen our Executive Management Team as well as expand and formalize our Management Trainee program. This has provided substantial opportunities for the three of them—as well as the employees currently in our Management Trainee program.

They have each brought unique and insightful improvements to their departments. Their dedication to the company, their concern for each employee and the organization, coupled with their incredible work ethic, made it an easy decision to offer each of them a Vice Presidential position. Please join me in congratulating them. I can't wait to see what they do next!

Thank you, Troy, Bryce and Justin, for the great work you do every day. NAR truly is a better company because of you three. I enjoy working with each of you and I'm looking forward to many more successful years working together.

Thanks again and congratulations!

America's Collection Authority

Troy Wilkerson Vice President of Business Development

I was born and raised in Utah and have lived here my entire life, and have loved every minute of it. I have been with NAR for nearly eight years and feel blessed to be part of a great organization!!

During my career with NAR, I have held positions in both our sales and client service departments. I am excited for this new opportunity and look forward to working side by side with our wonderful clients.

I graduated from BYU in 1993 with a Bachelor of Science Degree in Family Science, with a minor in Psychology. The year 1993 happened to be a wonderful year in my life: I not only graduated from college, but I also married my wonderful wife, Shauna.

We have three amazing children: Peyton (19), Paige (16), and Kylee (15). I couldn't imagine life without them, and everything we do is with them. As a family, we enjoy boating, camping, fishing, and four wheeling. I also enjoy hunting, baseball and playing golf.

Bryce Packham Vice President of Operations & Compliance

When I started working at NAR five and a half years ago as a data-entry agent, I knew I had found a great company that I wanted to stick with. NAR's approach to management and the fantastic people who work here immediately make

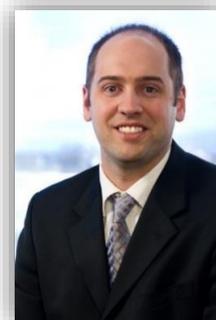

NAR stand out as a unique company.

Throughout the years I have seen NAR continue to grow and have had the privilege to grow alongside it. I am incredibly grateful for the opportunities NAR has provided, and I am excited to contribute to its continued success and growth.

Justin Denney Vice President of Collections

I have been with NAR for over four years and have loved it! I've enjoyed working closely with Dave and the entire Management team. My favorite part of working for NAR is the culture that exists. The concern and care for each employee is unmatched. Each employee is given the support and tools they need to succeed in their job. I look forward to many more years here at NAR!

I was born in Ogden, Utah, and have lived here for most of my life. After graduating from Davis High School, I served a 2-year LDS Mission to Houston, Texas. I then earned a bachelor's degree in Business Management from Weber State University. I have been married for six years to my wife Brianne.

I enjoy doing anything outdoors, including boating, golfing, fly fishing, hiking, tennis and watching a good flick at the drive-in. I love playing sports; I currently spend lots of time playing in basketball, softball and indoor soccer leagues. I'm a highly competitive person and will pretty much play anything.
